Kiowa & Major County Cattlemen Win a Priefert SO4 Chute During the Recent OCA Convention & Trade Show

OKLAHOMA CITY, OKLA., July 24, 2017 – Kiowa and Major County Cattlemen's Associations each won a Priefert SO4 Chute and Carriage during the recent Oklahoma Cattlemen's Association (OCA) 65th Annual OCA Convention and Trade Show.

"Each year the unified county cattlemen's associations compete to win the use of a Priefert SO4 Chute," said Weston Givens, OCA President. The OCA has a unified county program in place which means all members belonging to the county cattlemen's association also belong to the OCA."

A Priefert SO4 chute with carriage is awarded to the unified county that has the most growth from July 1, 2016, to June 30, 2017. Kiowa and Major County Cattlemen's Associations both recruited 42 new members over the year.

"Congratulations to Kiowa and Major County Cattlemen," Givens said. "We want to extend a special thank you to Priefert Ranch Equipment for generously sponsoring this award and supporting the OCA membership program."

OCA Convention is an annual event where several hundred cattle ranching families from around the state come together to create policy, listen to informative speakers, celebrate industry accomplishments and recognize individuals and groups, like the Kiowa and Major County Cattlemen, who contribute to the success of the Oklahoma Beef Industry.

The Oklahoma Cattlemen's Association is the trusted voice of the Oklahoma cattle industry and exists to support and defend the state and nation's beef cattle industry. The OCA officers, board of directors and membership encourages you to join us in our advocacy efforts to ensure less government intervention, lower taxes and a better bottom line.
