Farm Credit Associations of Oklahoma Named 2026 OCA Industry Partner of the Year

[Oklahoma City, Okla – July 28, 2026] – The Oklahoma Cattlemen's Association (OCA) recognized Farm Credit Associations of Oklahoma as the 2026 OCA Industry Partner of the Year during the Closing General Session of the 74th Annual OCA Convention and Trade Show on Saturday, July 25, in Tulsa.

The Industry Partner of the Year Award recognizes a business or organization that has demonstrated an exceptional commitment to supporting Oklahoma's cattle industry and the mission of the Oklahoma Cattlemen's Association.

Throughout 2026, Farm Credit Associations of Oklahoma provided more than \$12,000 in sponsorship support to OCA events and programs. In addition to their financial investment, the organization donated paper products for use at OCA events and supplied bottled water for participants at the Ranch Run for Kids 5K and the 42nd OCA Ranch Rodeo.

"Farm Credit Associations of Oklahoma has consistently gone above and beyond in supporting Oklahoma cattle producers and the work of our association," said Hannah McElrath, OCA Events and Sponsorship Coordinator. "Their partnership extends far beyond sponsorship dollars. Whether they're helping provide resources for our events or investing in programs that benefit our members and communities, they continue to demonstrate an unwavering commitment to Oklahoma agriculture. We are proud to recognize them as our 2026 Industry Partner of the Year."

Farm Credit Associations of Oklahoma has been a longtime partner of the Oklahoma Cattlemen's Association, supporting educational opportunities, producer events and initiatives that strengthen the state's beef cattle industry.

The OCA is the trusted voice of Oklahoma's cattle industry, representing beef producers in all 77 counties while advocating for policies that strengthen the state's cattle business.
