This October purebred Limousin heifer sets the bar pretty high in terms of quality, stout featured, but yet so smoothly designed in her shoulder and joint make up that allows her move with ease. She is very attractive in the front one third of her body and opens up into a big, soggy middle. This Charmer daughter has power in the blood being a grand daughter of Riverstone Charmed. This female will be a force to be reckoned with at Limousin Jr. Nationals in Tulsa this year. A little added extra value comes with this heifer, she is very good in her disposition and demeanor that would allow an exhibitor of any age to show her.

 - After you are logged in, you must proceed to the sale page for any and every auction and click **"Get Buyer Number."** Some auctions require a pass-code to obtain a buyer number even after you are approved by CCI.live. Pass codes generally come from the sale manager or ranch for that particular sale.
 - CCI.live will operate with ease on a **cellular device, laptop, desktop or tablet.**
- A **modern or current browser** is important and will make your experience better. You do not need to install the app on cellular devices to watch a sale. CCI.live is a browser-based application meaning it will play on most new browsers, but you can also download the CCI.live app at the Apple App Store or through Google Play.
- **For successful bidding you must have good Internet service!** It is very important to be stationary. If you are driving and bidding, expect to have some service issues. If you are stationary on a good device, with healthy Internet, expect a very successful bidding environment. If you have slow Internet watch the "asking price" on the screen - it is real time and refresh your browser if you feel like you have some lag.
- **Support line open during all sales. 405-400-9505** - Please contact the ranches for invoices and trucking.
