## **Kylynn Tatum of Grandfield, Okla., Interns with Oklahoma Cattlemen's Association**

OKLAHOMA CITY, OK, July 21, 2018 – Kylynn Tatum of Grandfield, Oklahoma was selected to intern with the Oklahoma Cattlemen's Association. She will receive a \$1,500 scholarship for her internship.

Tatum has spent her summer at the OCA office learning the multiple steps involved in preparing for events as well as exposure to serving a grassroots membership organization. She helped with OJCA Preview Show, OCA Convention, and will assist with the OCA Ranch Rodeo.

"Helping out at the office has been a great experience," Tatum said. "I have enjoyed being a part of the team and helping each of the staff anyway I could. Through this internship I have gained skills and knowledge that will be beneficial in my future endeavors."

Tatum is an Agricultural Leadership senior at Oklahoma State University. Tatum grew up on a farm and ranch in southwest Oklahoma where her family grows wheat and cotton and raises cattle. She is an active member of the OSU Swine Club and Collegiate FFA.

"We enjoyed having Kylynn in the office this summer and greatly appreciated her help and work ethic," said Tiffani Pruitt, OCF Coordinator. "She played an important role in the success of our events and gained hands-on experience working for an agricultural nonprofit organization."

The Oklahoma Cattlemen's Foundation was created to provide a charitable trust for the Oklahoma Cattlemen's Association and Oklahoma Junior Cattlemen's Association. When you support the Oklahoma Cattlemen's Foundation, you support beef cattle educational programs, research projects in cooperation with Oklahoma State University, educational scholarships for Oklahoma's 4-H and FFA youth and the preservation of the Oklahoma beef cattle industry and its traditions.
