Amanda Upton of Pauls Valley Awarded \$1000 Scholarship

OKLAHOMA CITY, OK, July 21, 2018 – Amanda Upton of Pauls Valley, Okla. was awarded a \$1000 scholarship during the recent Oklahoma Cattlemen's Association (OCA) Convention and Trade Show. The scholarship was funded by Great Plains Kubota and administered by the Oklahoma Cattlemen's Foundation (OCF), a charitable arm of the OCA.

Upton is a senior at Oklahoma State University where she is pursuing a degree in Agricultural Economics. Upton was an OSU Top Twenty Freshman Woman. She is also an American FFA Degree Recipient and a Samuel Roberts Noble Foundation Scholar.

Upton served as a 2018 intern for the 2018 National Cattlemen's Beef Association Convention. She is active in the OSU Student Foundation, Aggie-X, OSU Honors College and the Mortar Board National Honor Society.

"It's truly an honor to present young people who are driven and involved, like Amanda, with scholarships to assist in furthering their education," said Weston Givens, OCA President. "Working with partners like Great Plains Kubota to help fund scholarships allows us to provide additional opportunities to young individuals who have strong roots in the cattle business that we otherwise might not be able to."

The Oklahoma Cattlemen's Foundation was created to provide a charitable trust for the Oklahoma Cattlemen's Association and Oklahoma Junior Cattlemen's Association. When you support the Oklahoma Cattlemen's Foundation, you support beef cattle educational programs, research projects in cooperation with Oklahoma State University, educational scholarships for Oklahoma's 4-H and FFA youth and the preservation of the Oklahoma beef cattle industry and its traditions.
