Tori Roser of Watonga Awarded \$500 Scholarship

OKLAHOMA CITY, OK, July 21, 2018 – Tori Roser of Watonga, Okla. was awarded a \$500 scholarship during the recent Oklahoma Cattlemen's Association (OCA) Convention and Trade Show. The scholarship was funded by Great Plains Kubota and administered by the Oklahoma Cattlemen's Foundation (OCF), a charitable arm of the OCA.

Tori is a junior at Oklahoma State University where she is pursuing a degree in Animal Science with a minor in Agribusiness.

"Although I am not exactly sure where my degree will lead me, I am excited to find that out and help the beef industry," Roser said.

Roser helps her dad at Xcel Feedyard. She is also involved in Oklahoma Collegiate Cattlewomen's Association, OSU Alumni Association, and Cowboython.

"It's truly an honor to present young people, like Tori, who have deep, long standing ties to agriculture with scholarships to assist in furthering their education," said Weston Givens, OCA President. "Working with partners like Great Plains Kubota to help fund scholarships allows us to provide additional opportunities to young individuals who have strong roots in the cattle business that we otherwise might not be able to."

The Oklahoma Cattlemen's Foundation was created to provide a charitable trust for the Oklahoma Cattlemen's Association and Oklahoma Junior Cattlemen's Association. When you support the Oklahoma Cattlemen's Foundation, you support beef cattle educational programs, research projects in cooperation with Oklahoma State University, educational scholarships for Oklahoma's 4-H and FFA youth and the preservation of the Oklahoma beef cattle industry and its traditions.
