Ian Daugherty of Binger Awarded \$500 Multimin USA Scholarship

OKLAHOMA CITY, OK, July 21, 2018 – Ian Daugherty of Binger, Okla. was awarded a \$500 Multimin USA Scholarship during the recent Oklahoma Cattlemen's Association (OCA) Convention and Trade Show. The scholarship was funded by Multimin USA and administered by the Oklahoma Cattlemen's Foundation (OCF).

Daugherty is a sophomore at Oklahoma State University pursuing a major in Animal Science with an option in Ranch Operations.

"I am currently a fifth generation farmer and Angus cattle producer," Daugherty said. "I plan to take over our family's farming operation after my father retires."

Daugherty is a member of the Oklahoma Collegiate Cattlemen's Club and also worked as a teaching assistant for an Animal Science class. He enjoys working on his family ranch to improve herd health and genetics.

"It's truly an honor to present young people, like Ian, who have deep, long standing ties to agriculture with scholarships to assist in furthering their education," said Weston Givens, OCA President. "Working with partners like Multimin USA to help fund scholarships allows us to provide additional opportunities to young individuals who have strong roots in the cattle business that we otherwise might not be able to."

The Oklahoma Cattlemen's Foundation was created to provide a charitable trust for the Oklahoma Cattlemen's Association and Oklahoma Junior Cattlemen's Association. When you support the Oklahoma Cattlemen's Foundation, you support beef cattle educational programs, research projects in cooperation with Oklahoma State University, educational scholarships for Oklahoma's 4-H and FFA youth and the preservation of the Oklahoma beef cattle industry and its traditions.
