Molly Faught of Wilson Awarded \$750 Scholarship

OKLAHOMA CITY, OK, July 21, 2018 – Molly Faught of Wilson, Okla. was awarded a \$750 Scholarship during the recent Oklahoma Cattlemen's Association (OCA) Convention and Trade Show. The scholarship was funded by the Trade Show Exhibitors that attended this year's event. The scholarship is administered by the Oklahoma Cattlemen's Foundation (OCF), a charitable arm of the OCA.

Faught recently graduated from Lone Grove High School and will attend Oklahoma State University to major in Agricultural Communications with a minor in Spanish.

"With a degree in agricultural communications, I will be able to advocate positively for the beef industry," Faught said. "I hope that by making small accomplishments within our state, we can make a huge impact within the beef cattle industry nationally."

Throughout high school, Faught was very active in FFA through showing, livestock judging, speeches and more. She served as chapter sentinel, reporter and president.

"It's truly an honor to present young people, like Molly, with scholarships to assist in furthering their education," said Weston Givens, OCA President. "This is the third year we've offered trade show exhibitors the opportunity to donate to a scholarship to support the future of our industry: agricultural youth. I am blown away by the generosity of our industry partners and their willingness to help create this new opportunity."

The Oklahoma Cattlemen's Foundation was created to provide a charitable trust for the Oklahoma Cattlemen's Association and Oklahoma Junior Cattlemen's Association. When you support the Oklahoma Cattlemen's Foundation, you support beef cattle educational programs, research projects in cooperation with Oklahoma State University, educational scholarships for Oklahoma's 4-H and FFA youth and the preservation of the Oklahoma beef cattle industry and its traditions.
