Special Opportunity to Renew or Obtain your Private Pesticide Applicator License

OKLAHOMA CITY, Okla., June 22, 2020 – In partnership with Corteva Agriscience, the Oklahoma Cattlemen’s Association (OCA) is providing an opportunity to obtain or renew private pesticide applicator licenses during the upcoming 68th Annual Oklahoma Cattlemen’s Convention and Trade Show on Friday, July 25 in Tulsa, Okla.

Federal law mandates a pesticide applicator license for anyone to act, operate, do business, or advertise commercially or non-commercially.

“This is a limited opportunity to renew or receive your license. Current federal law requires you test “closed book” at a proctored exam facility. However, due to Covid-19, for this summer only, enjoy learning and licensing wrapped up in one,” said Ron Courtney of Corteva Agriscience. “We are excited to provide this opportunity in conjunction with the annual OCA Convention.”

In addition, this session counts toward Continuing Education Units. Ron Courtney will facilitate along with Jodie Stockett, also representing Corteva Agriscience.

The 68th Annual OCA Convention and Trade Show is a two-day, family friendly event. The convention is scheduled for July 24 and 25 at the Marriot Tulsa Southern Hills Hotel in Tulsa, Okla.

To view an agenda and register, visit okcattlemen.org/oca-annual-convention-and-trade-show.

The OCA is the trusted voice of the Oklahoma Cattle Industry. OCA is the only voice that speaks solely for the cattlemen of Oklahoma and represents beef producers in all 77 counties across the state. The OCA officers, board of directors and membership encourages you to join us in our advocacy efforts to ensure less government intervention, lower taxes and a better bottom line. For more information about OCA membership, the theft reward program or activities call 405-235-4391 or visit www.okcattlemen.org.
